

SEEK / INDEED JOB AD

Job Title: Field Service Mechanics – Forklift

Company: Allied Forklifts Pty Ltd

Location: Henderson, WA

Job Type: Full-Time

Industry: Trades & Services > Technicians > Automotive / Forklift

Join One of WA's Leading Forklift Service Providers

Allied Forklifts Pty Ltd is a well-established, locally owned business providing forklift hire, sales, and servicing solutions across Western Australia. Celebrating 30 years in business, we've supplied over **8000 forklifts** to WA businesses since 1996.

With the opening of our **new state-of-the-art facility in Henderson**, we're growing rapidly and currently seeking **three experienced Field Service Mechanics** to join our dedicated team.

About the Role

As a **Field Service Mechanic**, you'll be responsible for servicing and repairing a wide range of **LPG, diesel, and electric forklifts** across the Perth metro area. This is a **field-based role** offering autonomy, variety, and the support of a well-respected team.

What's involved:

- Field servicing, diagnosing, and repairing forklifts at client sites
- Performing scheduled maintenance and responding to breakdowns
- Providing excellent customer service and technical support
- Maintaining job records and service documentation

What We're Looking For

We're looking for skilled mechanics who are proactive, reliable, and take pride in their work.

Essential Requirements:

- Relevant mechanical trade qualification (with certification)
- Experience in servicing and repairing forklifts or similar equipment
- Strong diagnostic and fault-finding skills
- Good communication and customer service ability
- Self-motivated with excellent time management
- Current valid driver's license

Highly Regarded (but not essential):

- LPG Repairer's Certificate
 - Forklift license
-

What We Offer

- **Fully maintained, late-model service vehicle** (can be used for travel to and from work)
- Competitive wages and secure, full-time employment
- Variety of work across a broad range of equipment and clients
- A supportive, safety-focused, and friendly team environment
- Long-term career opportunity with a respected WA-owned business
